## Principal

Dear Parents and families,

### Whooping Cough

Whooping cough cases are continuing to increase across Victoria, particularly among school-age students.

Whooping cough is a very contagious infection, mostly spread through coughing or sneezing. Symptoms include:

- Blocked or runny nose
- Tiredness
- Mild fever
- Severe bouts of coughing, often followed by a 'whooping' sound or breathing.

Whooping cough can lead to life threatening infections in babies.

### Feelin Sick? Stay Home

If your child is unwell, they should not attend school. Please see a doctor if you or your child develops whooping cough symptoms.

Students with diagnosed whooping cough must not attend school. Your child should not attend school for 14 days after they were last exposed to a person diagnosed with whooping cough, or until they have taken a five-day course of antibiotic treatment if they are:

- Aged less than 7 years; and
- Not fully vaccinated with 3 doses of whooping cough (pertussis) vaccine.

If your child is diagnosed with whooping cough, please contact the office to let us know.

Vaccination is the best way to reduce the risk of whooping cough. The Department of Health recommends staying up to date with immunisations, including booster doses.

I appreciate your support in keeping our students safe and well.

### Science Incursion

On Tuesday and Wednesday the students engaged in a science incursion about Chemical Science. Lab coat science wowed them with popping bags, dry ice, bubbles and slime. Everyone had a lot of fun.

### Last Day Term Three

It is hard to believe that term three has almost come to an end.

We have had a busy and productive term with excursions, some incursions, camps as well as the regular school program.

I hope that everyone has a safe and happy holiday, and I look forward to seeing the students back on the 7th of October.

Just a reminder that the buses will leave at 2 pm on Friday 20th September so please ensure that someone is in attendance when your son/daughter comes home and if you pick your child up from school you must be here by 1:30 pm. There will be no staff available to supervise students after this time.

### Principal's Award

This week my Principal's Award goes to Lina T, Rm 33. Lina has shown exceptional initiative in cleaning up her personal space and keeping the classroom tidy. She always practises good hygiene by washing her hands, wiping down tables, drying the dishes, clearing up clutter and efficiently putting items away. Lina you are a superstar.

We are proud of your consistent efforts in maintaining a safe, clean and tidy classroom. Well done Lina.

## Term 3 Highlights in Juniors Rm 12

## BOOK WEEK PARADE

Room 15 has been very busy this year. We have enjoyed swimming, bike riding, science, respectful relationships, art and many more engaging learning activities.

## Room 29

We have all had a fabulous Term 3! We have had so many new experiences, and we have all learnt so much! We loved our excursion to the Puffing Billy and we really enjoyed our incursion with the Polyglot Theatre company - "When the World Turns". We all enjoyed the "Wonderbox" Theatre Show at Bunjil Place and we loved our regular community access outings to Ross Reserve and the various train trips during our travel training sessions. Thank you to Abi, Amach, Arijan, Jamieson, Jiraiya, Keegan, Pat and Sajida for sharing all our wonderful adventures together!

## ROOM 30

OUR ROOM HAD FUN ON  
COMMUNITY ACCESS USING  
TRAINS, TRAMS AND BUSES,  
VISITING THE CITY AND  
SHOPPING CENTRES.

WE ENJOYED THE PUFFING  
BILLY TRAIN RIDE.

WE CELEBRATED DANIEL'S  
17<sup>TH</sup> BIRTHDAY!

# KITCHEN GARDEN

Our winter veggies have been slowly growing and we have harvested carrots, broccoli and silverbeet. In the next few weeks we'll pick some beetroot and cabbages.

Students have enjoyed cooking pizza, lemon slice, garlic bread, sausage rolls and pancakes. They even made edible Olympic torches to celebrate the Olympics.

# MINI WOOLIES

Our new Mini Woolies supermarket continues to meet the needs of classes whilst providing valuable life skills for our students. Older students are developing their supermarket skills such as scanning items, taking money, stocktaking, filling shelves and maintaining a clean and safe store. Others are learning about going shopping, finding products, making food choices and using money.

# Lemon Slice

## INGREDIENTS

### Base

- 1/2 cup of sweetened condensed milk
- 100 g butter
- 200 g granita biscuits
- 1 cup desiccated coconut
- 2 teaspoons grated lemon rind

### Icing

- 2 cups pure icing sugar
- 20 g butter
- 2 1/2 tablespoons lemon juice

## METHOD

1. Grease a 3 cm deep, 16 cm x 25 cm slice tray. Line with baking paper that extends 2 cm above the edges.
2. Place condensed milk and butter in a plastic bowl and microwave until warm.
3. Stir to combine with a spoon.
4. Crush the biscuits until they are fine crumbs. (Use either a food processor or place biscuits in a bag and crush with a rolling pin). Place the crumbs in a mixing bowl.
5. Add coconut, lemon rind and milk/butter mixture to crumbs. Mix well with wooden spoon.
6. Press crumb mixture firmly into the slice tray and refrigerate until cold.

### Icing

6. Place icing sugar, butter and lemon juice in a bowl.
7. Beat with a wooden spoon until smooth. If too runny add more icing sugar.
8. Spread over the base and leave to set.

### To serve

Remove entire slice from tray by lifting the baking paper.  
Place on a chopping board and cut into pieces.

## Water safety tips from Life Saving Victoria

With many family activities happening close to waterways these school holidays now is a great time to refresh and remember what to look out for to keep the kids safe in and around water.

[Play it Safe by the Water:](#) has a great range of bite-sized snippets to remind you of what to look for and what to think about before you go to the various environments.

[The Beach:](#) There are numerous things to consider when visiting the beach. Where are the patrolled beaches, what is the weather doing, what does a rip current look like and what do you do if you find yourself caught in one?

[Inland waterways:](#) Rivers, creeks, lakes and dams are great fun but they also have hidden dangers such as currents and submerged objects. Do you know what to look for?

[Rural properties:](#) Dams, wells and tanks may not be so familiar. Have you thought about what to consider?

[Home:](#) Pools and spas at home are great fun over the summer but they are not risk free. Remain ever vigilant and always watching.

[More information](#)

# Supervision around water

**All children require active supervision around water regardless of their swimming ability.**

Beaches, pools, ponds, lakes, rivers and bathtubs all present a drowning risk. Twenty seconds is all it takes for a child to drown in as little as a few centimetres of water.

The best way to keep children safe is to keep under-fives within arm's reach, and under 10s within eyesight around water at all times. It's a good idea to make and stick to a supervision plan so there is always an adult actively supervising children around waterways during gatherings or parties, even during the winter months!

**Supervise:** Actively supervise children around water

**Restrict:** Restrict children's access to water

**Teach:** Teach children water safety skills

**Respond:** Learn how to respond in the case of an emergency

Dear parents and carers

**Re: \$400 School Saving Bonus**

Families want the absolute best for their kids. But with the current cost of living – uniforms, camps, sports and more – it all adds up.

That's why the Allan Labor Government is making life that little bit easier for families, by providing a one-off \$400 School Saving Bonus.

Every student enrolled in a Victorian government school for the 2025 school year will receive \$400 support.

It will help cover the cost of school uniforms, textbooks, and school activities like camps, excursions and sports.

You don't need to apply.

From November 2024, parents and carers will receive an email from the Department of Education providing details on how they can access the \$400 bonus.

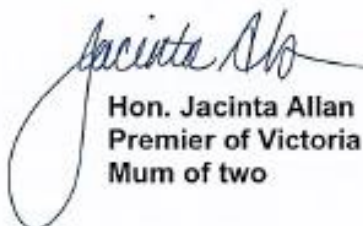

The \$400 School Saving Bonus is available for each child. That means a family with three school-aged children will receive a total of \$1,200.

The School Saving Bonus is available in addition to other financial support including the Affordable School Uniforms program and the Camps, Sports and Excursions Fund.

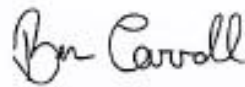

To learn more about what the \$400 can be spent on, and other support available, visit [vic.gov.au/school-saving-bonus](http://vic.gov.au/school-saving-bonus).

And from our families to yours – best of luck for the 2025 school year.

Sincerely,

Hon. Jacinta Allan

Deputy Premier  
Minister for Education

# School Saving Bonus

## Information for government school parents and carers

### About the School Saving Bonus

The Victorian Government is making life that little bit easier for families by providing a one-off \$400 School Saving Bonus.

This support will help cover the cost of school uniforms, textbooks, and school activities like camps, excursions and sports.

The School Saving Bonus is in addition to existing and continuing means-tested supports for Camps, Sports and Excursions Fund (CSEF) and the Affordable School Uniforms Program.

The School Saving Bonus will be provided to schools and families in Term 4, 2024.

### Who receives the School Saving Bonus

The School Saving Bonus is available for parents and carers of all Victorian government school students from Prep to Year 12 in 2025, except for full-fee international students, home schooled students, TAFE students and students attending kindergarten in 2025.

### Actions for parents and carers

Parents and carers of children who meet the School Saving Bonus eligibility above are required to do the following by **Friday 18 October 2024**:

- **Complete enrolment**

If your child, or children are changing government school for Term 1 2025, or starting Prep or Year 7 in 2025, please complete enrolment. For more information, read about [Enrolling in School](#).

- **Check your contact information**

Ensure your contact information is up to date with your school. You can check this information by contacting your school directly.

### Accessing the \$400 School Saving Bonus

You do not need to apply for the School Saving Bonus.

The Department of Education will email you in November 2024 with your \$400 School Saving Bonus. You will be able to access it via an online system.

You can decide how to best use the School Saving Bonus for your family's needs. You can choose how to allocate the \$400 in the online system.

The bonus can be used towards 2025 school costs, which may include:

- camps, trips, excursions and incursions
- swimming and sporting programs
- outdoor education programs
- graduations
- school uniforms
- textbooks.

The bonus can be used at your school's approved textbook or uniform suppliers either in-store or online, or through State Schools' Relief. The list of suppliers may include a school uniform or bookshop. Any amount that you choose to allocate to textbooks and uniforms will be valid until 30 June 2025. It will then transfer to your child's school account for future activities.

Funds will roll over for use in future years if it is not all spent in 2025.

### **Families with more than one eligible child**

Families who have more than one child at the same school can combine their School Saving Bonus payments to use on one child, or for a specific activity. So, for example, a family with 3 children who are all government school students would receive support to the value of \$1,200 and choose how they spend those funds. The School Saving Bonus cannot be combined across different schools.

### **More information**

To learn more about the School Saving Bonus visit [vic.gov.au/school-saving-bonus](https://vic.gov.au/school-saving-bonus). Translated information will also be available on the School Saving Bonus website in the next few weeks.
